

Camas Farmer's Market Vendor Application:

In order for the board of directors to make the most appropriate decision about which vendors to include in our market please answer the following questions:

1. Please describe your product(s)
2. Where is your product made or grown: Please give physical location
3. If your product is a value-added farm product, how does it fits in the operation of the farm.
4. What is the pricing of your product(s)
5. Is your business part of a franchise?

Additional Information:

Vendor Residence and Place of Production Requirements: All Vendors must reside and produce in the state of Washington, or surrounding counties.

The board will request a tasting of your product.

Please include a picture of your display as it would be at the market

Please include copy of health permit or any permit required by the County.
