

Est. 1979

- Changed locations often
- Included
 - Loading docks
 - Parks
 - Parking lots

Difficulties:

- Customers having to find the new location
- Updating licenses
- Facilities
- No internet connection

Revitalization of the Waterfront Area

- City plan for revitalization of the waterfront along the Columbia River
 - Includes a 10 mile trail “River Loop Trail”
 - Art along the trail
 - New Retail and Residential space
- City of Wenatchee / Port of Chelan awarded a grant to remodel Pybus Steel Mill to a Public Market.

Move to Pybus

- City included Wenatchee Valley Farmers Market in Pybus revitalization grant.
 - Permanent location for the Market
 - Walk-in cooler for vendors/Food Distribution Center
 - WiFi for the Market
 - Individual EBT machines to qualifying vendors

Permanent Pros

- Easy to find
- Clean facilities
- Ease in renewals of license, etc.
- Don't need to look for the next place to set up.
- Extra Pro's being a part of Pybus
 - Public Market
 - Extra publicity
 - Electricity / Water
 - Large parking lot
 - WiFi enhancement included

Permanent Cons

- Hard for the public to separate Pybus and WVFM as two organizations.
- Parking
- Increase vendor fees (lease, WiFi, etc.)
- Other Cons related to WVFM
 - Took on unsustainable programs
 - Country Store
 - Individual EBT machines / iPods
