

# CANOPY VENDORS

*Recommended by WSFMA member markets!*

March 1, 2023; updated January 14, 2024

Caravan Canopies. They are very sturdy, have replaceable parts and patch kits, and last many years. You can get a variety of colors, sizes, and custom printing, as well.

Plus, they often have great sales on big Holidays!

Costco Business Centers have Caravan and other brand canopies during the spring/summer seasons.

For branded canopies we use 4imprint.

For generic, we purchase ABC Canopy on Amazon. They are great quality.
