

CBDA Coos Bay Farmers Market 2024 Vendor Parking Policy

This policy is to enforce the parking rules that have been outlined in the 2024 CBDA Coos Bay Farmers Market Guidelines. We are all a part of the market to provide a wonderful service to our community. Since we are located in the middle of downtown Coos Bay, there are many businesses that are affected by the market’s presence. To keep our positive presence welcome in downtown Coos Bay, we must respect the daily happenings of our local businesses.

Vendors will complete, sign, and return the CBFM Parking Enforcement Policy at the time of registration. ***Vendors are responsible for not only their own vehicles but all of their employees, volunteers, and helpers vehicles as well.*** Vendors will be responsible to inform the CBDA Coos Bay Farmers Market Manager in writing of any updates or changes needed to the vehicle registration form. Vendors, their employees, volunteers and helpers will display the weekly 2024 season parking permit visible in the front window of all of the vendor vehicles on market day.

All vehicles must be removed from Central Ave. and adjacent parking lots/streets before 8:00 am the day of the Farmers Market. Vendors, their Employees, Volunteers, and Helpers must park in the designated Vendor parking areas during market hours. Vendors who have large special orders will need to make arrangements for pick-up either before 8am or after 2:30pm if they plan to unload them from their car in the parking lots surrounding Central Avenue.

Where Vendors, their Staff, Volunteers, and Helpers **CAN** park:

- The far 2nd & Curtis Parking Lot (7 Devils Brewery)
- The Visitor’s Center Parking Lot across Hwy 101 South
