FARMERS MARKETS FEEDING YOUR COMMUNITY!

GET MORE FOR YOUR DOLLAR AT FARMERS MARKETS

Farmers markets accept a variety of currencies, including cash, credit/debit cards, the WIC & Senior Farmers Market Nutrition Program, SNAP EBT, SUN Bucks, and even their own form of "market bucks." Many farmers markets also have programs that match what shoppers spend with their EBT card so they can buy more from local farmers and food vendors.

"FMNP" means that the market is part of the Farmers Market Nutrition Program for WIC and Seniors. Use your QR code to buy fruits, vegetables, and herbs from vendors with the FMNP sign at their booth.

"EBT" means that SNAP EBT and SUN Bucks are accepted at the farmers market. Get tokens at the market's Info Booth and spend on any SNAP-eligible foods.

"SMM" means that the farmers market has a matching program. SNAP can be matched up to \$25 a day with SNAP Market Match, and sometimes more depending on the market.
